

## Conditions

As part of the clubs membership application process there is a requirement for the parent/carer of an U18 year old to provide consent for them to participate in organised cycling/club activities. Please read the following conditions required for parental consent and tick the agreement box as part of the On Line application process. By ticking this box you are providing consent!

Note - Should TRCC run a '**coached session**', this will be advertised as such then points A, B, D, E, F, G & H apply.

A ) It is part of the British Cycling Code of Conduct to ensure that reasonable steps are taken to establish a safe environment where young people can enjoy developing their cycling skills.

B ) Prior to a rider joining a session that rider should be signed in using the sign in sheet held by the coach on payment of the session fee. It is essential that an emergency contact No of the rider is entered on the sign on sheet.

C ) Note to Parents/carers - TRCC club rides (specifically the Weds Chaingang). Currently, this is not a club event as there are riders who take part from other clubs. The 14-16 age riders who have been invited to join TRCC rides along with the U18's are to have in place a parent/coach or adult (DBS) following BC 'Safeguarding procedures'. If this is not arranged prior to a TRCC ride then the young rider may not be able to ride with a group.

D ) Young people are expected to remain in the session until the end unless they have to leave early. If the young person has to leave early or is being collected by someone other than the parent/carer, the parent/carer must advise the coach of the details of the arrangement, including who will be collecting the rider, before the session.

E ) It is the young person's responsibility to participate in cycling activities in a sporting manner.

F ) Any young riders who persistently misbehave or put others in danger will be asked to leave the session.

G ) It is the parent's/carer's responsibility to ensure that their child's bike is in a safe condition to ride, and that they have a correctly fitting helmet, gloves and appropriate clothing which needs to be worn throughout the session. They must also have refreshments with them. Please see the attached British Cycling PDF on this subject that we have been given permission to use.

H) There will be a £2 fee for the coaching session..

## Parental Consent

I, being the parent/carer of the listed members submitted on the online club membership application have read the information contained on this form and hereby consent to him/her taking part in the cycling activity sessions and understand and agree that he/she participates in cycling activity sessions under the instruction of British Cycling qualified coaches entirely at his/her own risk. I have considered the nature of such sessions and have discussed them with him/her. I am satisfied that he/she is sufficiently responsible and competent to assume full and entire responsibility for his/her own safety under the supervision of a British Cycling qualified coach. I have notified the club membership secretary ([towryriders1@gmail.com](mailto:towryriders1@gmail.com)) of any disability or medical conditions that could affect his/her ability to participate safely in cycling activity sessions. I will also make the coaching staff aware prior to the beginning of a session.

I agree to the child/ren named on the on Line - British Cycling Membership Tool application form to take part in the activities of the club.

I understand that I will be kept informed of these activities - for example timing and transport details.

I understand that in the event of any injury or illness all reasonable steps will be taken to contact me, and to deal with that injury/illness appropriately
